

WHAT MEMBERS APPRECIATE ABOUT THE COALITION

“ This coalition gets things done! ”

“ A place of opportunity for everybody. ”

“ Greatest asset is collaboration. Multiple people and organizations coming together to do great work. ”

“ The coalition brings together diverse organizations that pool resources to achieve lofty goals that seem impossible. ”

“ Sense of community, diversity, collaboration, and togetherness. ”

“ I'm thankful for the partnerships and networking with different organizations. Getting together to fight inequalities in health among Latinos. ”

“ LHFA consistently brings a variety of individuals, residents, leaders, and those that make things happen - TOGETHER! ”

“ It's great to see the passion for health and for this community among all the people in the room. It's INSPIRING! ”

“ Sharing the ideas and efforts to work for the community. ”

“ Inclusivity and diversity are felt at every meeting, big or small contributors all matter. It promotes engagement from the bottom up. ”

“ The emphasis on community health improvement that is specific and focuses on cultural competence and engages many types of people. ”

“ LHFA serves as a hub for organizations to exchange information, resources, and ideas. ”

“ Transparency. Diversity. Inclusion. ”

“ Accountability - the regular meetings hold us accountable to each other for the work we commit to do. ”

“ This is a strong, active and remarkable network of leaders and change agents. No project is too big or small for the coalition to get involved and activate resources. ”

“ Enjoying time together and the work we do together (it can be hard/heavy when you feel like you are facing BIG obstacles on your own). ”

“ The collaboration and complementing the work that's already going on in the community. ”

“ I appreciate the togetherness and connection, a great sense of community. ”

“ I'm thankful for such great team work. It's a blessing to the community to have the LHFA Coalition. ”
